College of SCIENCE

The College of Science Pedagogy Colloquium

Supplemental Instruction in the College of Science

What is Supplemental Instruction?
How is it being implemented in our college?
How can you and your students take advantage of this opportunity?

We will have a panel presentation and discussion with:

- **Heather Coughlin, Mathematics**
- **J. Martyn Gunn, Academic Advising**
- **Scott Russell, Chemistry**
- **Chad Stessman, Chemistry**

Date: Friday, April 18, 2014

Time: 2:00 pm

Location:

Naraghi Hall of Science Rm #104

For more information contact Melanie Martin mmartin@csustan.edu

The goal of the Colloquium is to spread best practices and new innovations in pedagogy.

Light refreshments will be served

California State University Stanislaus
