Academic Standards

Grading System

**Academic Grades**

A/A– (Excellent): Student has demonstrated a high level of competence in meeting course objectives. Four grade points per unit of credit are awarded. (A– yields 3.7 grade points.)

B+/B/B– (Good): Student has demonstrated a more than satisfactory level of competence in meeting course objectives. Three grade points per unit of credit are awarded. (B+ yields 3.3 grade points and a B– yields 2.7 grade points.)

C+/C/C– (Satisfactory): Student has demonstrated a satisfactory level of competence in meeting course objectives. Two grade points per unit of credit are awarded. (C+ yields 2.3 grade points and a C– yields 1.7 grade points.)

D+/D/D– (Unsatisfactory): Student has demonstrated only a barely passing level of competence in meeting course objectives so that it is not necessary to repeat the course for credit. One grade point per unit of credit is awarded. (D+ yields 1.3 grade points and a D– yields 0.7 grade points.)

F (Failure): Student has not demonstrated a minimally passing competence in meeting course objectives. Credit is not merited. Zero grade points is assigned.

CR (Credit): Student has demonstrated at least a satisfactory C– level of competence in meeting course objectives (at least B– level in graduate courses). Not used in grade point average calculations.

NC (No Credit): Student has not demonstrated minimally satisfactory competence in meeting course objectives. Credit is not awarded. Not used in grade point average calculations.

**Grade Availability**

Students may access their term course grades on the Web at [www.csustan.edu](http://www.csustan.edu).

**Administrative Symbols**

WU—Withdrawal Unauthorized: The symbol WU indicates that an enrolled student did not withdraw from the course and failed to complete course requirements. It is used for courses graded A–F when, in the opinion of the instructor, completed assignments or course activities or both were insufficient to make normal evaluation of academic performance possible. In courses where the student is graded CR/NC, use of the WU is inappropriate and NC is used instead. For purposes of grade point average computation, the WU symbol is equivalent to an F.

I—Incomplete Course: Students have not completed course requirements due to reasons beyond their control. Must be made up within the time limit set by the instructor (no more than one calendar year following the end of the term in which the grade was assigned). Failure to complete the assigned work will result in an incomplete reverting to a grade of NC for grading options 1 and 2; and to a grade of IC for grading option 3. (See Grading Options in the following section.) An extension of time may be granted via approved petition. Not used in grade point average calculation. (See Incomplete Work under Academic Policies and Procedures.)
RD—Report Delayed: No grade reported by the instructor. RD grades will revert to a NC or IC grade, depending on the course grading option, one semester after assignment.

W—Withdraw from Course: Indicates that the student was permitted to drop the course after the Enrollment Census Date. It carries no connotation of quality of student performance and is not used in calculating grade point average. (See Withdrawal from CSU Stanislaus under Academic Policies and Procedures in this catalog.)

RP—Report in Progress: Indicates that work is in progress, but that assignment of a final grade must await completion of additional work which normally requires more than one term to complete (e.g., master’s thesis). RP grades shall be removed within one year after issuance of the grade except for thesis or project. A student whose graduate thesis or project is planned to extend over more than the term of first enrollment in a 5990 or 5960 course may receive an RP grade. The RP will remain through the period of the program which is limited to a maximum of seven years. If the RP is not removed within these time limits, the grade will revert to NC for grading options 1 and 2 and to a grade of F for grading option 3. An extension of time may be granted by approved petition. The RP is not used in grade point average calculation. (See Academic Policies and Procedures.)

AU—Audit: The recorded grade if a student enrolls in a class and fulfills attendance requirement but is not receiving credit. Not used in grade point average calculation. (See Auditors under Academic Policies and Procedures.)

IC—Incomplete Charged: The IC symbol is used when a student who received an authorized incomplete "I" in a course with grading option 3 has not completed the required coursework within the allowed time limit. The IC replaces the "I" and is counted as a failing grade for grade point average and progress point computation.

Credit/No Credit Grading
Any student may elect to be graded on a Credit/No Credit (CR/NC) basis in any course approved with a Credit/No Credit grading option. Courses approved for CR/NC are indicated as such in the Schedule of Classes. In no case shall more than one-third of the required upper-division or graduate units or courses in a degree program be graded CR. No more than 24 CSU Stanislaus CR semester units, including winter and summer term courses, but excluding credit from challenge examinations, may be applied toward a baccalaureate degree.

The student must elect the Credit/No Credit grading option on an Add/Drop form by the Enrollment Census Date of the term unless the instructor agrees to establish a later date and verifies this agreement by signing the student’s Add/Drop form requesting the grade option change. Add/Drop forms are available from the Enrollment Services Office. The Credit (CR) grade is earned for C– work or better (B– or better in graduate courses) as judged by the instructor concerned. Credit (CR) and No Credit (NC) grades will have no effect on grade point average.

Upper-division courses graded CR/NC taken at this or another institution may not be used to satisfy requirements for the student’s major except for those courses identified as graded exclusively on a CR/NC basis.
Graduate students, by prior permission of the department, may repeat a course, and
the original grade will be included in computing the grade point average but will not be
included in computing the grade point average for the master’s degree.

A student should file a Notification of Repeated Course form at the Enrollment Services
Office immediately after the course is repeated.

At admission to CSU Stanislaus, the repeated-course actions and policies of former
institutions will be honored.

Honors List of Students
Each semester CSU Stanislaus publishes a list of undergraduate honor students. To
qualify for the list during the semester under consideration, a student must:
1. Register for and earn a minimum of 10 units of credit of graded coursework at the
   University, and
2. Achieve a 3.5 grade point average for all coursework attempted at the University
   that semester.

In addition to the List of Honor Students each semester, CSU Stanislaus also publishes
a list of undergraduate students with honorable mention. To qualify for the list during
the semester under consideration, a student must:
1. Register for and earn a minimum of 6 to 9 units of graded coursework at the
   University, and
2. Achieve a 3.5 grade point average for all coursework attempted at the University
   that semester.

Scholarship Standards
For the purpose of determining eligibility for a bachelor’s degree, students must earn
and maintain a grade point average of at least 2.0 (C). Failure to maintain standards of
minimum competency will result in either academic probation or disqualification. (See
Grade Point Computation and Baccalaureate Degree Requirements.)

Academic Probation
A student is subject to academic probation if at any time the cumulative grade point
average in all college-level work attempted or cumulative grade point average at
CSU Stanislaus falls below 2.0. A student shall be removed from academic probation
when the cumulative grade point average in all college-level work attempted and the
cumulative grade point average at CSU Stanislaus is 2.0 or higher. Any veteran who
remains on academic probation beyond two consecutive semesters without a significant
improvement in academic standing will be ineligible for veterans educational benefits
and will be reported to the Department of Veterans Affairs.

Academic Disqualification
A student on academic probation is subject to academic disqualification when:
1. As a freshman (fewer than 30 semester hours of college work completed) the
   student falls below a grade point average of 1.50 in all units attempted or in all units
   attempted at CSU Stanislaus; or
2. As a sophomore (30 through 59 semester hours of college work completed) the
   student falls below a grade point average of 1.70 in all units attempted or in all units
   attempted at CSU Stanislaus; or
3. As a junior (60 through 89 semester hours of college work completed) the student
   falls below a grade point average of 1.85 in all units attempted or in all units at-
   tempted at CSU Stanislaus; or
4. As a senior or postbaccalaureate student (90 or more semester hours of college
   work completed) the student falls below a grade point average of 1.95 in all units
   attempted or in all units attempted at CSU Stanislaus.

A student not on academic probation becomes subject to academic disqualification
when:
1. At the end of any term, the student has a cumulative grade point average below
   1.0, and
2. The cumulative grade point average is so low that in view of the student’s overall
   educational record, it seems unlikely that the deficiency will be removed within a
   reasonable period.

A student on probation will be continued on probation if not eligible for removal from
probation or subject to disqualification. A student disqualified at the end of fall semester
is eligible to attend winter term. In such cases the effective date of disqualification shall
be the last day of the winter term. A student disqualified at the end of a spring semester
is eligible to attend summer term. In such cases the effective date of disqualification
shall be the last day of the summer term.

The Advising Resource Center may disqualify a student not on probation who has
fewer cumulative grade points than cumulative credits attempted at the end of fall or
spring semester, and whose cumulative grade point delinquency is so great that its
removal within a reasonable period seems unlikely.

No student will be automatically disqualified. The Advising Resource Center will review
the case of each student eligible for disqualification. Students also may be subject to
expulsion, suspension, and/or probation for other causes. See Student Conduct in the
Appendix.

Special Administrative Action
A student may be placed on administrative-academic probation for any of the following
reasons:
1. Withdrawal from all or a substantial portion of a program of studies in two suc-
   cessive terms or in any three terms.
2. Repeated failure to progress toward the stated degree or other program objective,
   including that resulting from 15 credits of NC, when such failure appears to be due
to circumstances within the control of the student.
3. Failure to comply, after due notice, with an academic requirement or regulation
   which is routine for all students or a defined group of students (e.g., failure to take
   EPT/ELM or other tests; failure to complete remedial or other specified coursework,
   etc.).
Students admitted to CSU Stanislaus will have the academic renewal actions and policies of former institutions honored.
