

Alumni Profile Contest & Survey Announcement

Department of Communication Studies at CSU-Stanislaus

Dear Communication Studies Alumni,

Greeting from the faculty, students, and staff from your Department! You were an inspirational student, and we would like to enlist your assistance to future generations of CSU students. Thus we are announcing our **First Alumni Profile Contest** to encourage you to share your professional endeavors and success stories with us.

Please be at ease: it is very easy to participate in this contest, and the winners will have their profiles displayed prominently in the Department hallway to inspire all our current and prospective students. Here are some guidelines as you design your profile for us to display in the Department:

- 1) Please email or mail a photo that you feel best reflects you (such as a family photo, a professional portrait, an at-work snapshot, etc.)
- 2) Please email or mail a snapshot (50-150 words) about your exciting story since you graduated from CSU-Stanislaus. E.g., your work achievements, the awards you received, and the industry you are passionate about.... Please use this as an opportunity to show your creativity as well.
- 3) Separate from the profile design, please also send us your business card.

Get your materials to us by **April 10** to ensure your place of fame and honor. Please email/mail the above items[1) your photo, 2) your exciting story, and 3) your business card] to:

Dr. Meikuan Huang

Turlock, CA 95382

Once we receive your materials, you may become a star in the department. We will review materials for the most creative, inspirational, and successful student packets and select three students for the showcase. You will be notified of this honor by April 15, 2013. You will receive photographs of your display along with a current photo of faculty. Yes, I know it sounds too good to be true but you will receive your own photo of those whose courses you took and maybe some you never had the opportunity to take.

All students are guaranteed a placement of their business card in the display case! Let our current students know where you are now and don't be surprised if you receive a message from a current student wanting to know how you achieved such success.

YOUR OPINION COUNTS! Go to our **online Alumni Survey** before April 15 and tell us how you enjoyed your major. The survey takes you only 10-12 minutes:

We look forward to reading your exciting Alumni Profile in the Contest soon! We also strongly encourage you to take the alumni survey before April 15. Please also share the profile contest and survey with a fellow alumni friend. The Department extends its best wishes for a successful continuation of all your personal and professional endeavors.

Sincerely,

Dr. Vickie Harvey
