MISSION STATEMENT

The mission of the Disability Resource Services (DRS) Program is to provide effective accommodations and support services to assist students with disabilities in actively participating in all aspects of the University’s programs and services, and to obtain their educational and professional goals.

CORE VALUES

- Accommodate students in a consistent and equitable manner.
- Provide a calm environment for students.
- Assist students in developing self-advocacy skills.
- Consider each student’s needs on an individual basis.
- Work with students in a mutually respectful manner.
- Provide students with encouragement and support.
- Solicit student, faculty, and staff input and incorporate in program and services.
- Commitment to regular program review and evaluation.
- Maintain current knowledge of assistive technology, assessment data, disabilities and provision of services.
- Increase awareness of faculty and staff about the needs of students with disabilities.
- Ensure confidentiality of students and their information.
