One full-time student shall be appointed by the President of Associated Students for a one year term.
An executive secretary shall be appointed by the President of the University.

a) The Chair shall serve as a member of the Senate Executive Committee. The term of office of the Chair shall be one year.

b) The Chair-elect shall serve one year as a member of the committee and the following year as the Chair. The Chair-elect will serve as Chair in the absence of the Chair. The Chair-elect shall serve as a member of the Faculty Budget Advisory Committee.

c) Faculty members of UEPC, except the Chair and Chair-elect shall have terms of office of three years. The terms shall be staggered at the onset by lot. The terms of new members shall commence on the final day of scheduled classes of the academic year.
Section 2.2 The duties of the UEPC, undertaken in conjunction with College curriculum committees, shall be to:

a) Formulate, review, and recommend to the Academic Senate undergraduate curricular policy.

b) Review and evaluate proposals for new undergraduate programs and courses for study based on approved criteria and procedures.

d) Review plans for academic development in both on- and off-campus undergraduate programs (including extended education and distance learning).

e) Submit an annual report to the General Faculty at the Spring General faculty meeting.

f) Consult with and recommend to the Provost/Vice President for Academic Affairs in the interpretation of the University's undergraduate curricular and instructional policies.

i) Prepare the academic calendar.

j) Upon proper constitution of the curriculum committees within the colleges, the UEPC may delegate any of its powers to those committees. The curriculum committee of each college shall inform the committees of the other colleges of matters which may impact their respective curricula through the distribution of their minutes. If no objections are expressed within fifteen (15) working days from distribution, the proposed changes will become effective and will be reported to the Associate Vice President for Academic Planning and Analysis. The following issue(s) shall be referred to UEPC.

1) an objection that cannot be resolved by the respective committees or the deans of the respective colleges within a reasonable period of time;
2) matters where there is no established university curricular policy;
3) matters where there is a dispute over the interpretation of existing policy;
4) matters where there are extenuating circumstances that require immediate attention or determination.
k. College committees shall have authority to:

1) approve new courses not for General Education credit;
2) delete existing courses;
3) change titles, descriptions, and unit values of existing courses;
4) approve cross- and dual-listed courses;

This authority includes all college credit courses except Multidisciplinary courses.

l) In all other curricular matters, college committees shall make recommendations to the appropriate subcommittee of the UEPC. In no case should these matters come to UEPC without the recommendation of the college committee.
