CALIFORNIA STATE UNIVERSITY, STANISLAUS
COUNSELING FIELDWORK AGREEMENT

THIS AGREEMENT entered into by and between the State of California through the Trustees of The California State University on behalf of California State University, Stanislaus, all of which are hereinafter called University, and the ___________________, noted below, hereinafter called the District:

1. The District shall provide to University students school counseling fieldwork experience through practice counseling in schools and classes of the District. Such practice counseling shall be provided in such schools or classes of the District, and under the direct supervision and instruction of such employees of the District, as the District and the University through their duly authorized representatives may agree upon.

The District shall have the right, after consultation with the University, to refuse to accept further placements of the University's students who in the District's judgment are not participating satisfactorily in the program.

"Counseling fieldwork" means active participation in the duties and functions of the school counselor under the direct supervision and instruction of employees of the District holding a valid Pupil Personnel Services (PPS) credential in School Counseling or School Psychology.

2. A semester unit of Counseling fieldwork is 50 clock hours of involvement in the school counseling function at the designated school site.

3. An assignment of a student of the University to practice counseling in schools of the District shall be, at the discretion of the University, for approximately fifteen (15) weeks, but a student may be given more than one assignment by the University to practice counseling in such schools.

The assignment of a student of the University to practice counseling in the District shall be deemed to be effective for purposes of this agreement as of the date this agreement is executed.

4. The parties agree that District does not assume nor shall it assume by this agreement any liability under the California Worker's Compensation Insurance and Safety Act for, by or on behalf of any University students while students are on the premises of the District or while performing any duty whatsoever under the terms of this agreement or while going to or from any of District's facilities.

5. The parties agree that the District is not to assume nor shall it assume by this agreement any liability under the California Worker’s Compensation Insurance and Safety Act for, by or on behalf of any CSUS students while students are on the premises of the District or while performing any duty whatsoever under the terms of this agreement or while going to or from any of District’s facilities.

CSUS shall inform each student regarding the lack of coverage for Worker’s Compensation Insurance by either party.
6. The State of California has elected to be self-insured for its general liability, vehicle liability, workers’ compensation and property exposures through an annual appropriation from the General Fund. As a State agency, the California State University, Office of the Chancellor, the Trustees, and its system of campuses are included in this self-insured program. Under this form of insurance, the State and its employees are insured for any tort liability that may develop through carrying out official activities, including state official operations on non-state property.

7. CSUS students must establish and maintain adequate public liability and property damage insurance covering all negligent acts or commissions under this agreement. Further, CSUS students shall sign beforehand a Hold Harmless Statement, which shall relieve the District of any and all liability and responsibility in the event a CSUS student’s injury is caused by the District, and which shall be in effect for the term of this agreement.

8. The term of this agreement shall be for a period one (1) year commencing __________ and terminating __________, and shall be renewed automatically for additional periods of one (1) year up to a total of four (4) additional years. However, either party may terminate after giving the other party thirty days advance written notice of its intention to terminate. Any such termination by the District shall not be effective, at the option of the University, for any student until such student has completed the program for the then current academic year.

9. This agreement may at any time be altered, changed, or amended by mutual agreement of the parties in writing.

Execution of this contract is hereby requested:
