COMPLETING THE TRAVEL EXPENSE CLAIM FORM

The traveler must submit to the Travel Office the Travel Expense Claim form and all the original receipts within **30 days after the trip completion**. (* if a claim for reimbursement is not turned in within the 30 days a written statement of justification must be attached with a signature of approving official for said account). If no travel expenses were incurred submission of a Travel Claim is not necessary.

A copy of the Travel Request **is required** to be submitted with the Travel Expense Claim unless previously sent to the Travel desk. If an expense has been previously paid by the travel desk it also must be on the claim.

Travel expenses must be itemized and substantiated. **Original receipts and vouchers must be submitted for every expense item.**

**Receipts are required for the following:**
- Railroad and bus fares;
- Streetcar, bus, rapid transit and ferry fares, bridge and road tolls;
- Taxi or hotel bus fares when necessary for official business;
- Parking fees over $10 or more for any continuous period of parking.

The claim form will be audited for compliance with University and CSU policies. After completing the audit, and determining the appropriate dollar amount for reimbursement, the forms will be submitted for payment. The typical period for reimbursement is ten (10) working days from the date the completed and approved claim is received by the Travel Coordinator. Travel reimbursement checks will be mailed to the department or direct deposited into your checking account if signed up for this service.
