## **QUESTIONS AND ANSWERS.**

- 1) **Specifications allow use of on-site water source if available and there are 2 fire hydrants near the proposed basin site. Are these available for us to take metered construction water? If so, what does the university charge?**

*Use reclaimed water hydrants located at Irrigation Pump Station or Corp Yard*

- 2) **Specifications include a fully furnished 12' x 60' office trailer for the project. Is this required or a carry-over from another project? If it is required, where will it be placed?**

*No office trailer is required for this project.*

- 3) **Can you provide parking permit costs required for employee vehicles?**

*Parking rates are \$6 per day, per vehicle.*
