What if I cannot attend all the sessions? Attendance is optional. The more sessions you attend, the better your chances of keeping your grades high.

Is there a deadline for the registration? No. You may begin HiMAP anytime.

Orientation will be held on Saturday, Sept. 19, 2009 in the Demergasso Bava Hall, Room 166 (DBH 166) from 10 AM to 11:30 AM for participating students and parents/guardians.

HiMAP AWARDS / Recognitions

“Best Practice” Award
American Productivity Quality Center (APQC)

Progress in Equity (PIE) Award
American Association of University Women

Distinguished Professional Service Award
Chi-State International

What do participants, coaches, and parents say about the program?

- It gives me a chance to do all of my math and science homework and the coaches always offer help. (Participant)

- I’m having trouble in algebra so when I don’t understand a certain problem, I ask for help and they walk me through the problem so I do understand. (Participant)

- HiMAP has given me the opportunity to practice my leadership skills and acquire better communication skills. Being a coach has been a great learning experience. (coach)

- I wanted to thank you all for such a wonderful, positive experience for my daughter … Thank you so much for all the help you gave her in Algebra. (Parent)

HiMAP
Saturday Program in Math & Science
For students in grades 6 – 12

FALL 2009
High School Mathematics Access Program
9:30 AM – 11:30 AM

Dr. Viji K. Sundar, an enthusiastic and energetic Math Professor at CSU, Stanislaus, has pioneered innovative programs to help both students and teachers improve their Math skills. She has been recognized for her many contributions to Math education, including the Wang Family Excellence Award, Outstanding Professor, and Outstanding Community Service Professor.
High School Mathematics 
Access Program 
HiMAP

Inch by inch math is a cinch, 
Yard by yard it is very hard.

- Math Skills using Technology
- Science facts using online resources
- Enrichment sessions in Geometry
- Enrichment sessions in Algebra
- Coaching sessions in mathematics,
  chemistry, biology, physics, general
  science, and computers
- HiMAP Conference in Spring 2010

Frequently Asked Questions (FAQs)

Who directs HiMAP?
Dr. Viji K. Sundar, Professor of 
Mathematics at CSU Stanislaus.

What is HiMAP?
It is a Saturday day tutoring program in 
Mathematics and Science for students 
in grades 6-12.

Who can participate?
Girls and boys in grades 6 through 12.

How will Technology be used in HiMAP?
Computers and Calculators will be used to 
introduce and review math skills and science 
facts. The equations editor, graphmatica, excel
and other K-12 online resources will be used to 
review, reteach, reinforce and practice problem 
solving.

Who coaches in HiMAP?
Coaches include University faculty, 
Secondary school teachers, and 
University students.

What is the cost to attend the program? 
The cost is $75.00 for Fall 2009 semester 
irrespective of the number of sessions attended.

How do I get the HiMAP T-shirt? 
The HiMAP T-shirt may be purchased for 
$10.00.

What should I bring to HiMAP? 
You must bring a list of questions, writing tools, 
Textbooks, class notes, and past exams/ quizzes. 
Put on your thinking cap - be prepared to learn!

How do I get into the program? 
By completing the application packet. Go to 
our website for HiMAP registration packet

Saturdays, 9:30 AM - 11:30 AM on the 
following dates:

- Sept. 19 (Orientation Only)
- Sept. 26 (Regular Session Begins)
- Oct. 3, 10, 17, 24
- Nov. 7, 14
- Dec. 5, 12
- Jan. 9, 23, 30

HiMAP Registration in Demergasso Bava Hall
Courtyard

Is there a Dress Code for HiMAP?

Yes! 
Students must wear the HiMAP uniform. The 
Uniform consists of HiMAP T-shirt; black, 
navy, khaki, white slacks/jeans, skirt or shorts. 
HiMAP uniform T-shirt cannot be altered. 
Note: Webster’s Dictionary defines a uniform as 
always having the same form, pattern, or color.”

Why is there a Dress Code?
The dress code is for your safety. University 
Personnel & Security on campus will recognize 
you as part of the HiMAP program.

Where does HiMAP meet? 
All sessions will be held in the Demergasso 
Bava Hall. Check door when you arrive 
for room assignment.

May I leave early if I finish my 
homework and have no questions? 
No. If you finish your homework early, 
ask the coach for enrichment activities. 
These activities will help you get ahead.

What if I have to leave early? 
Participants may leave early with a written 
request from a parent/guardian.
