The CSU, Stanislaus RN to BSN program can be taken either on a full-time or part-time basis. Students on the full-time track will receive first priority in class enrollment in order to guarantee that they complete the nursing major in 3 semesters. Students who wish to complete the BSN on a part-time basis may proceed at their own pace; however, following the recommended track helps insure class availability. Class offerings, as presented, are dependent upon adequate enrollments.

RN to BSN students are admitted in the Fall semester only. Students wanting to begin course-work in the spring are encouraged to take any required general education courses.

The following prerequisites must be completed prior to admission to the nursing program.

- Oral Communication/Speech
- Written English Composition
- Critical Thinking/Logic
- Statistics

Step 1 - University Application - Students must first apply to the university prior to applying to the nursing program. University admission is required before final acceptance into the School of Nursing.

Step 2 – Nursing Application - Send completed application with a copy of your current RN license. If you are still taking your boards, note that on the application and send a copy of your license when you receive it. Send one (1) set of official transcripts from each previous attended college or university to the School of Nursing. This is in addition to the set of transcripts that you must send to Enrollment Services when you apply to the university. The clinical letter, which is a letter validating clinical competence, is required of all applicants unless you have completed your associate degree in nursing within the last year. (Pg. 4 of application)

If not currently working as an RN, the ATI Predictor exam will be used in place of the clinical letter.
