Seminar OR Advanced Clinical Practicum

- *WP – Completion of the Writing Proficiency Screening Test (WPST) is a prerequisite for enrollment in a WP Course.
- **Clinical course – 8 hour lab, daytime only. Students register for location. Location preference is not guaranteed.
- ***Students who are working in clinical practice at the time of taking NURS4240 may choose either NURS4240 or NURS4210. Students not working in clinical practice must enroll in NURS4210.

Admission:

The CSU, Stanislaus ADN to BSN program can be taken either on a full-time or part-time basis. Students on the full-time track will receive first priority in class enrollment in order to guarantee that they complete the nursing major in 3 semesters. Students who wish to complete the BSN on a part-time basis may proceed at their own pace; however, following the recommended track helps insure class availability. Class offerings, as presented, are dependent upon adequate enrollments.

RN to BSN students are admitted in the Fall semester only. Program admission is contingent upon meeting minimum requirements and passing a physical exam, drug screening and a background check. Students wanting to begin course-work in the spring are encouraged to take any required general education courses.

The following prerequisites must be completed prior to admission to the nursing program.

- Oral Communication/Speech
- Written English Composition
- Critical Thinking/Logic
- Statistics

The application period for admission to the nursing program is March 1st – 31st of each year for Fall entry into the program. Students must first apply to the university prior to applying to the nursing program. University admission is required before final acceptance to the School of Nursing. Space is limited and applicants will be admitted in the order in which the application is received.

How do I apply?

Step 1 - University Application – www.csumentor.edu See web site for deadline dates usually early Fall of the prior to School of Nursing application.

Step 2 - Supplemental School of Nursing Application – www.csustan.edu/nursing Accepted between **March 1st – 31st**

Students seeking to enter the program must have the following:

- A current license as a Registered Nurse in California
- Completed 60 semester units of baccalaureate-level transferable college credit
- Completed an AD or Diploma in nursing with a minimum of 30 semester units of nursing coursework, with a grad of C or better in each course
- Completed at least half of the University's General Education breadth requirements, including college-level English composition, statistics, and critical thinking, with a grade of C or better
- Complete an acceptable college-level statistics course of at least 3 semester units with a grad of C or better
- Gained admission to the University with an overall grade point average of 2.75 or better
- Gained admission to the School of Nursing. Program admission is contingent upon meeting minimum requirements and passing a physical exam, drug screening and a background check.

University Requirements

- Complete University General Education requirements for the Bachelor of Science degree, (51 units minimum including transferable General Education units.)
- Complete the major of 26 or 27 upper-division units.
- Complete 9 upper-division units, which meet the upper-division General Education requirements. Completion of a minor is not required.
- All prerequisite courses to enter the Nursing program must be completed with a grade of C or better.

Validation of Equivalent Course Work

In addition to the 26 or 27 units in the nursing major, the School of Nursing will allow up to 15 upper division units of validated credit for equivalent nursing course work completed in preparation for nursing licensure.

Validation of these units will be allowed, by challenge, upon successful completion of:

NURS 3100 Professional Nursing ADN-BSN

NURS 4000 Health Assessment

NURS 3600 Transcultural Nursing Care

Note: See School of Nursing for validation process.
