CBEST TEST PREP WORKSHOP

Passing the CBEST (California Basic Education Skills Test) is a requirement for anyone seeking an educational credential in California. This preparation course helps prepare credential candidates for the examination by reviewing its three sections:

Reading -- This portion of the workshop will increase your reading skills through instruction in the basic components of reading comprehension. Special review of the literary reading skills, which may also be applied to reading questions in the math section of the CBEST test.

Writing -- The primary goal of this portion of the workshop is to provide strategies to write effectively for the CBEST. The writing strategies taught will increase the skills of any writer. Special emphasis is placed on essay organization and writing within a limited time.

Mathematics -- This portion of the workshop will provide special emphasis on a review of basic arithmetic, algebra, geometry, symbols, terminology, and graph reading.
