The Bachelor of Arts in Social Sciences degree completion program allows you to earn one of the most versatile bachelor’s degrees currently available, in a format that is:

**Accelerated**
Two classes are offered every six weeks with each class meeting face-to-face one night per week. The entire degree program is designed to be completed within 15 months.

**Flexible**
Additional instruction, interactive classroom discussions and self-paced assignments also occur online throughout the six-week courses.

**Affordable**
Program tuition for the 50 units is $16,000. Financial aid is available for this program.
Admission to the Bachelor’s Degree Completion in Social Sciences is based upon evaluation of each candidate’s academic record. All applicants are required to meet these requirements:

- Overall grade point average of 2.0 or better in all college courses completed.
- Completion of at least 60 transferable semester or 90 quarter units. (70 semester units preferred)
- Completion of all four CSU-approved General Education requirements:
  - Speech communication
  - Freshman English composition
  - Critical thinking
  - Mathematics/quantitative reasoning (All courses must have been completed with a grade of C or better)

Completion of at least 30 semester units of college coursework with a grade of C- or better to meet G. E. requirements in communication, arts and humanities, social science, and science and mathematics.
