Sex Offender Registration Policy

“Sex offenders who are enrolled as students or employed by, or who carry on a vocation or volunteer at a university, college, community college, or other institution of higher learning, must register with the campus police department.” (Penal Code 290.01)

A registered sex offender within the state of California is required to notify and register with the University Police Department within five (5) business days from the beginning of classes when enrolled as a student; or within five business days from the date of hire for employment with the University.

When a registrant reports with the University Police Department as required, and takes classes in continuous sessions broken only by standard winter, summer, and holiday breaks, they do not have to re-register each year. If they skip at least one semester, they must re-register with University Police.

A registrant is required to notify the campus police within five (5) business days when their student status is discontinued. However, if they are returning as a student after a normal winter/summer break, they do not have to notify the campus police.

If a registrant is employed or enrolls in classes [solely] at the California State University, Stanislaus Stockton campus, including all on-line classes even if they never meet in person, they are only required to register in that jurisdiction with the City of Stockton Police Department.

If a registrant is employed or enrolled in any class(es) at the California State University, Stanislaus Turlock campus, including all on-line classes even if they never meet in person, they are required to register with the campus Police Department.

March 30, 2008

Chief George Hampton
Turlock Police Services
900 North Palm Street
Turlock, CA 95380

Dear Chief Hampton:

I would like to request crime statistics for the below listed districts. Specifically, I am looking for the 2007 statistics for murder/non-negligent manslaughter, negligent manslaughter, sex offenses (forcible and non-forcible), robbery, burglary, aggravated assault, motor vehicle theft, and arson. I also need the statistics for arrests only for liquor law violations, drug violations and illegal weapons possession. According to federal law specifically the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1994, Universities are required to report all crime statistics that occurred on campus property and on public property adjacent to University owned buildings to all student and employees. We are required to report statistics that are reported to our department as well as the local police department. Therefore, I would like to request the required statistics for the CSU Stanislaus campus area. Please send your collected statistics to California State University, Stanislaus Public Safety/University Police Services in Turlock before April 30, 2008. If you have any questions please feel free to contact me at (209) 667-3114.

Sexual Assault Policy and Procedures

In addition to possible criminal penalties through the county justice system, the following sanctions may be imposed on individual students or recognized student organizations found guilty of complicity in sexual assaults. The severity and number of sanctions applied will be determined by the nature and degree of the individual act. Sanction recommendations will be made to the President by the Student Affairs Senior Director of Administration and Judicial Affairs or designee. The President will then inform the student in writing of the sanctions imposed. Possible sanctions include:

a. Expulsion from the University
b. Suspension for a specific time period
c. Probation for a specific time period
d. Psychological counseling or assessment
e. Performance of community service
f. Revocation of residence license
g. Withdrawal of University recognition
h. Informing the organization’s national or regional offices of the activity
i. Disbanding of the local chapter by the national organization
j. Prohibiting participation in campus activities, events and programs
k. Requiring relevant community service and/or participation in sexual assault awareness programs by all group members
l. Loss of all University privileges, including equipment use, room permits, advertising space and on-going campus fund-raising

Sanctions up to and including dismissal from employment may be imposed on University faculty and staff members found guilty of sexual assault, following the utilization of established California State University procedures, and guidelines set forth in appropriate collective bargaining agreements.

The accuser and the accused are entitled to the same opportunities to have others present during a campus disciplinary proceeding. Both the accuser and the accused must be informed of any University disciplinary proceeding brought alleging a sexual offense. The outcome of a disciplinary proceeding means only the University’s final determination with respect to the alleged sex offense and any sanction that is imposed against the accused.

Sexual Assault Policy and Procedures

Complaint Procedures

Individuals in the campus community are strongly encouraged to report any incident of sexual assault to any Campus Security Authority such as, but not limited to, University Police, student housing staff, campus judicial officer, Dean of Students, coach, faculty advisor, student health physician, campus counselor, or Victim's Advocate. The University encourages persons reporting to seek the support and assistance of friends or significant others when needed, in presenting their concerns.

Informal Inquiry

a. The President of the University will designate a Victim's Advocate to speak confidentially with any person seeking information or advice regarding sexual assault or rape.

b. The Victim's Advocate -
   1. Will assist in clarifying definitions of sexual assault, stranger and acquaintance rape, and to explain the administrative mechanisms for dealing with complaints.
   2. Will provide assistance and information relative to immediate crisis intervention services, and information and options for further assistance and reporting, including: rights of confidentiality, medical and emotional support, academic intervention, financial intervention, contact with law enforcement authorities, criminal prosecutions, civil prosecutions, the court system, and/or the University's Conduct System; physical protection and relocation assistance; and support with/fors the survivor's, significant others or friends.
   3. Is attached to the University Police and assigned by the University Police Chief on an individual case basis. The function of the Advocate is informal and advisory, aimed solely at aiding the person seeking assistance, information or advice.
   4. Will not investigate nor adjudicate complaints of sexual assault or rape.
   5. Will, at the survivor's request, provide assistance and support throughout the investigatory process should a complaint be filed.
   c. The person initiating the inquiry may be accompanied by a friend and/or advisor when discussing alleged incidents.
   d. Discussions at the informal inquiry level are completely confidential. No record will be made or retained concerning these discussions without permission of the persons making the inquiry. Should the information provided during the informal inquiry identify a clear and immediate danger to the community, the Advocate will notify the University Police Chief immediately. A clear and present danger is defined as a threat as the result of a cluster or pattern of sexual assaults and/or a stranger or sadistic sexual assault, or a gang rape involving University students or staff either on campus or its surrounding environs.

Formal Reporting

a. As soon as convenient, the survivor should report incidents of sexual assault, including date or acquaintance rape and gang rape to the University Police.

b. The University Police will review the survivor's complaint and upon probable cause, immediately initiate a criminal investigation into on-campus sexual assaults.

c. A Victim's Advocate will be assigned to provide non-investigatory survivor's assistance, and as soon as practical will make the following notifications:
   1. Will assist in clarifying definitions of sexual assault, stranger and acquaintance rape, and to explain the administrative mechanisms for dealing with complaints.
   2. Incidents in which the accused is an employee of the University and the victim is a student, will be reported to the Vice President of Student Affairs, Dean of Students, the Director of Human Resources, and the Director of Counseling. The complaint will be investigated with the assistance of the University Police, and all information will be forwarded for a separate disciplinary action to the appropriate Vice President and/or the President.
   3. In incidents where the accused is an employee of the University and the victim is an employee, it will be reported to the Director of Human Resources and the appropriate Vice President and/or the President.
   4. In instances where the accused is not a member of the California State University Community and the assault did not occur on campus, the Victim's Advocate will provide outside jurisdiction coordination assistance for the campus community survivor upon request.
   d. In all cases of sexual assault where a formal complaint has been filed, it will be the responsibility of the Victim's Advocate to keep the survivor informed of the status of any student or employee disciplinary proceedings in connection with the sexual assault, and the results of those actions or subsequent appeals. Additionally, the Victim's Advocate will monitor criminal proceedings connected with the sexual assault, and provide the survivor with assistance related to court appearances and the criminal/civil justice process.

e. All those conducting administrative investigations related to sexual assaults, will maintain a full and complete written record of the investigation and subsequent disciplinary recommendations and proceedings.
