

We have an Academic Advisor in the College of Business Administration's [Student Success Center](#) going out on maternity leave in May/ June and will be hiring a **Temporary Academic Advisor** for coverage through August/ September. This would be a great opportunity for someone trying to gain academic advising experience or someone that needs to complete services hours over the summer.

This Temporary Academic Advisor classification would be for an **Student Services Professional (SSP) II** (see attached). The candidate would need the "equivalent of two years of professional experience in one of the student services program areas or in a related field. A master's degree in a job-related field may be substituted for one year of the professional experience."

Those interested can submit their Applications to the [General Staff Pool](#) at Stanislaus State. We will be reviewing the applications from the temp pool, interviewing and hiring for the position within the next month.

Thanks,

Cari Rumayor, M.S., P.P.S.
Coordinator
