

**Position Title:** Outreach Coordinator

**Job Type:** Part-time

**Location:** remote; travel in Modesto and Turlock areas to venues/residences

**Compensation:** \$15 per hour. Mileage reimbursed at \$.56 per mile.

Valley Water Collaborative (VWC) is developing a new program to provide interim replacement water for residences whose drinking water wells are contaminated with nitrate in the Modesto and Turlock basin management zones.

This position will assist in implementing the VWC outreach plan in the Modesto and Turlock groundwater basins. The Outreach Coordinator will represent the VWC and Modesto Junior College and work with the VWC management team to share information about the program with the community and potential program participants. The ideal Outreach Coordinator is self-motivated, enthusiastic, and community-driven and requires a positive attitude and readiness to be a team player. The travel area will encompass the Modesto and Turlock subbasins (see attached map of project area). The employee would need to provide their own transportation to outreach activities (mileage reimbursed at IRS rate).
