F2F enrolled students

4942 of 5186 (95.3%) have completed the attestation (submitted something)
4391 (84.7%) are vaccinated (63 without documentation 1.4% of the 4391)
151 (2.9%) medical exemption requests (18 don't have documentation)
244 (4.7%) religious exemption requests (28 don't have documentation)
156 (3%) not coming to campus
244 (4.7%) have not yet completed the self-certification

Student Registration Holds for Non-Compliance with Vaccine Requirements –

Communication must include what is expected of students along with the consequence for noncompliance; Two groups will be notified – those who have not self-certified and those who have self-certified but have not uploaded their documentation; They will get three notifications prior to have the hold placed; Instructions for faculty will be issued when you are advising students and you come across this hold – boiler plate language will be provided to help faculty engage in these discussions with students

c. Julie Johnson

Faculty % has increased since Tuesday.

It is anticipated APC will enter into an MOU similar to CSUEU next week with self certification compliance required sometime in Nov.

HR consulted with S&RM on the home workplace checklist requirements and intends to notice the unions of our proposed revisions by end of week.

II. Communications

a. Academic Affairs: What You Need to Know – Amanda Theis

- i. Content Suggestions?
 - 1. Mention that spring 22 planning is underway
 - 2. Share information about registration holds

III. Information Sharing and Q & A
