

STAN Degree Progress

This guide outlines how to use the Faculty Advisor Center to access a Degree Progress Report.

STAN Degree Progress tracks which graduation requirements have been satisfied and which requirements still must be completed. The report reflects all coursework a student has completed, in-progress, or transferred in.

Advisors and/or students with questions about the student's STAN Degree Progress can contact the student's [Evaluator](#) for assistance.

Navigate to the Advisee's Student Center

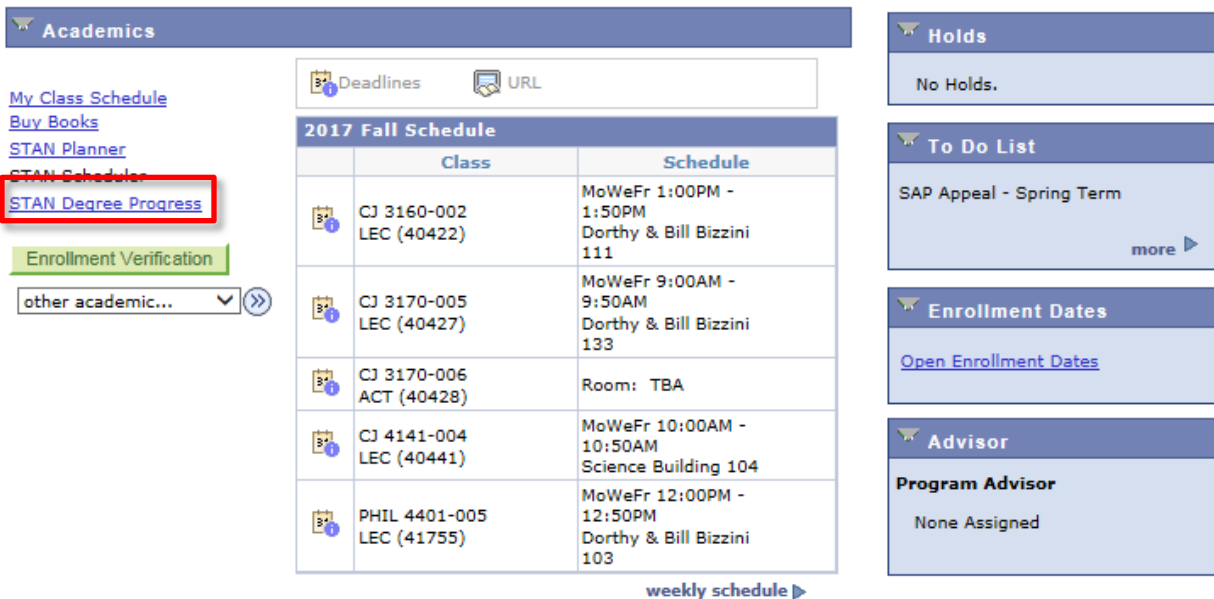

Main Menu > Self Service > Advisor Center > Advisee Student

Enter student ID number in the search to find your advisee. Once on the advisee student center select STAN Degree Progress.

General Information

You are encouraged to use this degree audit report as a guide when planning your progress toward completion of degree requirements. Your academic advisor may be contacted for assistance in interpreting this report. This audit is not your academic transcript and it is not official notification of completion of degree or certificate requirements.

ALL STUDENTS with questions about the completion of requirements for your major, concentration or minor, or the equivalence of transfer courses to courses in your major program, should contact an evaluator in Enrollment Services or your faculty advisor.

If you require advice on the completion of GE requirements, you may speak with an academic advisor in your major department or the Academic Resource Center in MSR 180. If you are an EOP participant, you may contact your EOP advisor for assistance. You may also access the [GE web pages](#) to view a listing of CSUS courses which satisfy general education requirements.

Please contact Enrollment Services to report any discrepancies in this degree audit or if you have questions about your official transcript or degree completion.
