DEPARTMENT OF TEACHER EDUCATION

Teaching Performance Assessment Fall 2013 and Spring 2014

Teacher Performance Assessments are designed to give candidates the opportunity to develop, refine, and demonstrate teaching knowledge, skills, and abilities during the teacher preparation program. The CA TPA is designed to measure aspects of the Teaching Performance Expectations (TPE). The TPEs are a set of standards that clearly outline what beginning teachers should know and be able to do before receiving a preliminary credential. Each task on the CA TPA measures aspects of a number of TPEs and many TPEs are measured in more than one task. The TPEs are measured holistically within each TPA. They are scored using a 4-point rubric with 4 being the highest.

The CTC requires candidates to receive at least a total score of 12 on all 4 TPAs for passage. CSU Stanislaus has higher expectations requiring every candidate to receive at least a score of 3 on each of the TPAs.
