

Spring 2020 Dean's & Honor's List

College of Science
STANISLAUS STATE

Each semester Stanislaus State publishes a list of undergraduate honor students.

To qualify for the **Dean's list** during the semester under consideration, a student must:

- Register for and earn a minimum of **12 units of credit of graded coursework** at the university, and
- Achieve a **3.5 grade point average** for all coursework attempted at the University that semester.

To qualify for the **Honor's list** during the semester under consideration, a student must:

- Register for and earn a minimum of **8 to 11 units** of graded coursework at the university, and
- Achieve a **3.5 grade point average** for all coursework attempted at the University that semester.

For questions about your Dean's/ Honor's list status or questions regarding your GPA, please contact Enrollment Services at registrar@csustan.edu . The Dean's office publishes what is provided by the University.

At this time, the Dean's office is unable to print certificates due to telecommuting. Once staff return to the office, we expect to be able to once again offer this service for students.

If you would like your name removed from public platforms, please contact Enrollment Services to fill out the appropriate paperwork.
