Subject Matter Competency (SMC) Using Academic Major Verification Form

Effective 7/9/2021, Assembly Bill (AB) 130 expanded the options available to fulfill Subject Matter Competency (SMC).
 SMC can now be fulfilled by any of the following means:

Passage of the CSET exam in the appropriate content area

- To be verified with official **CSET score report**

Completion of a Subject Matter Preparation Program (for SSCP or ESCP)

- To be verified with **SMPP form (Form V for CSU Stanislaus students)**

Completion of an Elementary Subject Matter Program (for MSCP, ESCP, or Concurrent option)

- To be verified with **ESM form (Form V.1 for CSU Stanislaus Liberal Studies students)**

Completion of an academic major in the same content area as the credential***

For **Multiple Subject** credentials, the major **MUST** be in:

- Liberal Studies

For **Single Subject** credentials, the major **MUST** be in:

- Art, Business, English, Foreign Language, Health Science, Mathematics, Music, Physical Education, Social Sciences, Science, **OR** Theatre

For **Education Specialist**, the major may be any of the acceptable majors for Multiple Subject or Single Subject.

- If applying for **Concurrent Multiple Subject/Education Specialist**, the major must align with the requirements for the **Multiple Subject** credential.

***Please note: At this time using a *combination* of CSET exam scores and Academic Major is **NOT** an option for fulfilling SMC. This option may be available in the future pending CTC approval. This form is used **ONLY** for SMC Academic Major verification.
