TO CHANGE MAJOR ADVISOR

Instructions:

1. Contact your proposed new advisor (during office hours or by e-mail) to find out if that advisor has space available. (Faculty members have a maximum number of student advisees allowed.)
2. If accepted by a new advisor, prepare this form, have your new advisor sign the form, and file the form in the Department Office (N-259).
3. It may take up to three weeks for your name to appear on your new advisor's list. (It would be best to make changes between advising periods, **not right before** advising begins.)
