

# Welcome to Stanislaus State

Stay Safe  
Every Day  
the Warrior  
Way!

# Emergency Response Procedures

**StanAlert** = An emergency notification system capable of rapidly sending voice, email and text messages to faculty, staff, and students

- CSU Stanislaus officials use **StanAlert** to convey timely info (including urgent safety instructions during an emergency affecting the campus)
- To receive text messages by StanAlert, please update your mobile contact info on the **StanAlert** system

# Evacuation Procedures

## Generally before an evacuation...

- Look at the evacuation diagrams in the building and room you are in
- Know the location of at least **TWO** exits

## At the sound of an alarm...

- Stop whatever you are doing
- Turn off, or close the container of anything potentially hazardous, if you can
- Grab your personal possessions quickly
- **DO NOT WAIT** - Walk to the nearest exit
- If your nearest exit is blocked, move immediately to another exit

# Shelter-In-Place

**Sheltering-in-place** = A protective action taken inside a building to protect persons from external hazards such as: civil unrest, shooting, severe weather, or chemical/hazardous materials.

## **For physical threat to you life safety...**

- Stay inside and move away from windows to the inner corridors and rooms/offices.
- Hide in a room and close all doors connecting to the exterior corridor.
- Stay in place until evacuated by a Police Officer or public safety official.
- Emergency info updates will come to you through the **StanAlert** system.

# Active Shooter Response

Students and the public should follow the lead of faculty or staff during an active shooter situation.

## **1. RUN**

- a. Have an escape route and plan in mind.
- b. Leave your belongings behind.
- c. Keep your hands visible when you exit the building.

## **2. HIDE**

- a. Hide in an area out of the active shooter's view.
- b. Block entry or barricade the door. Lock when possible.

## **3. FIGHT**

- a. As a last resort and only when your life is in immediate danger.
- b. Attempt to incapacitate the shooter.
- c. Act with physical aggression and throw items at the active shooter if they enter your area.
