

Graduation Approval Form | Quick Guide

The Graduation Approval Form, along with the Graduation Evaluation, is a student's ticket to Graduation. When used with Stan Degree Progress, this form shows students and their advisors exactly what is needed to satisfy all university requirements to earn their degree.

This is the only evaluation you will receive. Any change from this Major, Minor, or Concentration will void this Graduation Approval form, and you will be required to reapply for graduation and pay the reapplication fee.

CALIFORNIA STATE UNIVERSITY, STANISLAUS GRADUATION APPROVAL FORM

TO: Stan Student TERM: Spring 2021
 ID: _____

This field shows the catalog year used to evaluate the student. This affects students' major, GE, and university requirements.

This field shows the total number of units still needed to get to 120.

This field shows the total number of units still needed in the major.

These lines are where advisors will list all coursework that the student has yet to complete to fulfill their degree.

Since our new process handles these forms over email, signatures are not currently required on the form.

Evaluators will only include completed coursework on an evaluation. Any coursework taken after the term listed here is not reflected.

This field indicates that a student needs to take their WP Course.

This space is where major advisors will note any course substitutions, waivers, or major changes.
