Notes for Recorder/Announcer:

¹Composite Score = (.70 x Normal Working Hours) + (.20 x Other than Normal Working Hours) + (.10 x Premium Working Hours). Result is rounded to 4 decimal places.

²Award Formula for Small Business (SB) = SB's Composite Score * Contract Amount - 5% of low bidder amount (\$50,000.00 maximum on contracts of \$1,000,000 and over)

The five percent small business bid preference amount is calculated on the lowest bidder, unless that bidder is a certified small business, or a non-small business committing to subcontract 25% of its contract amount to small businesses.

If the lowest bidder is a California certified Small Business, the only bidders eligible for the DVBE incentive will be other California certified Small Businesses.

The Small Business Preference combined with DVBE Incentive may not exceed \$100,000.

³The DVBE Incentive is either 1% (4.00% to 4.99% DVBE participation), 2% (5.00% to 5.99% DVBE participation) or 3% (6.00% or more DVBE participation) of low bidder amount.
