

Delegation of Authority for Expenditures

The designee named below is authorized to submit, either electronically or manually, transactions and documents associated with the following expenditure activity for the identified funds and departments. Please indicate the authorization for each fund and department, and note additional delegation conditions (if any) by chart field value in the comments section. Compliance with these conditions will be subject to monitoring by the department's approving authority below. Continue listing on attached worksheet if needed.

(Continue listing on page two if needed)

Effective Date:

The undersigned persons confirm that any expenditure activity authorized under this designation will conform to campus and CSU policy and sound fiscal and budgetary practices, including assuming responsibility for assuring the availability of funds to support expenditure activity.

I hereby acknowledge that prior to submission of any transaction, I will ensure that funds are available for the period and purpose of the expenditure activity. By signing this form, I understand that this expenditure authorization may be rescinded at any time, without notice, at the discretion of management.

Delegation of Authority and expenditure transactions are a part of PeopleSoft Finance. Designee must have access to PeopleSoft Finance in order to enter, review, and/or approve financial transactions. The OIT System Access form must be completed to establish access to the required finance systems. The Access form can be located on the Office of Information Technology webpage.
