**DEPARTMENT CERTIFICATION:** I am aware of the State and CSU requirements for competitive bidding and established criteria for justification for sole source/sole brand purchasing. As an approved department representative, I certify that technical information was gathered and a concentrated effort was made to review comparable/equal products and/or services. This is documented in this justification. I hereby certify as to the validity of the information and feel confident this justification for sole source/sole brand meets the State's criteria and would withstand an audit by the State Board of Control or a vendor protest.
