The audit shall be conducted in accordance with generally accepted auditing standards as adopted by the American Institute of Certified Public Accountants (AICPA). The examination shall conform with the auditing standards applicable to financial audits contained in Government Auditing Standards (GAS), issued by the Comptroller General of the United States; and Audit Guide for Auxiliary Organizations issued by the California State University (CSU) system (Chapter 8 of the GAAP Manual).

   b. The examination shall also be made in compliance with the laws of the State of California, in particular California Code of Regulations, Section 42400 et. Seq. and applicable directive and executive orders published by the CSU system.

2. REPORTS REQUIRED

   a. The following reports are expected at the completion of the audit in accordance with CSU guidelines.

   b. Financial Statements (FASB) – An independent auditor’s report on the examination for each of the financial statements of the auxiliary organization including all funds and accounts. reference being made to section(s) of the report that contain the detailed descriptions of specific findings.

c. Supplemental Information – The GASB financial statement information must also be provided to California State University, Stanislaus for inclusion of the auxiliary financial information in the University Financial Statements; these reports are prepared by the auxiliary organization staff and included as supplemental information to the financial statements. The external audit firm will be required to review the financial statements and make sure that they are consistent with the CSU guidelines.

d. Management Letter – A letter prepared by the auditor which may include findings, observations, opinions, comments, or recommendations with regard to systems of internal control, accounting systems compliance with laws, rules and regulations, or any other material matter that may come to the attention of the auditor during the course of the examination. The supplemental information should be included in the findings, observations, opinions, comments or recommendations, as well.

3. SCHEDULE OF REPORTS

a. Reports – The auditor shall provide regular verbal reports to University Management in conjunction with the audit work performed.

b. Deliverables – The auditor is required to submit one (1) original auxiliary organization Audited Financial Statements, Supplemental Schedules, Executive Summary, and Management Letter by the due date set forth annually by the CSU system or within 70 days of the fiscal year end (June 30th) whichever occurs first. Although tax returns may be extended as allowed by cognizant agencies, reviews of returns by respective boards shall be completed timely as required by guidelines expressed in accordance with new Form 990, Form 990T State Form199 and RRF-1.

4. MEETING REQUIREMENTS AND DUE DATES

During the audit, the auditor may be required to meet with various officials to discuss the auditor or related matters. The auditors will present the reports to the audit committee of each auxiliary organization before the due date set forth annually by the CSU system or within 70 days of the fiscal year end (June 30th) whichever occurs first.

The selected Bidder will begin work on April 15, 2017 for audit services for fiscal year 2016-17.

The initial audit term will cover fiscal years 2016-17 through 2018-19. The engagement term will be for three (3) years, with the option to renew for two (2) additional years at the sole discretion of the auxiliary governing board. Based upon an annual evaluation of performance, the governing board will determine continued engagement of the accounting firm using the following criteria:

a. Did the firm meet all audit requirements, including the instructions, procedures, and format called for by the CSU for auxiliary organizations?
b. Did the firm maintain an audit schedule which met specification requirements?
c. Were reports and recommendations timely, clear, complete and fair?
d. Was the firm responsive to special procedures

6. ADDITIONAL SERVICES

a. During the course of normal operations, the auxiliary organizations may occasionally look for assistance and opinion on general accounting matters not necessarily audit related. The firm shall provide a fee schedule for assisting with these types of inquiries.
