Notes for Recorder's Reference:

\(^1\)Composite Score = \((0.70 \times \text{Normal Working Hours}) + (0.20 \times \text{Other than Normal Working Hours}) + (0.10 \times \text{Premium Working Hours})\), Result is rounded to 4 decimal places.

\(^2\)Award Formula for Small Business (SB) = SB's Composite Score \times \text{Contract Amount} - 5% of low bidder amount ($50,000.00 maximum on contracts of $1,000,000 and over).

The five percent small business bid preference amount is calculated on the lowest bidder, unless that bidder is a certified small business, or a non small-business committing to subcontract 30% of its contract amount to small businesses.

If the lowest bidder is a California certified Small Business, the only bidders eligible for the DVBE Incentive will be other California certified Small Businesses.

The Small Business Preference combined with DVBE Incentive may not exceed $100,000.

\(^3\)The DVBE Incentive is either 1% (4.00% to 4.99% DVBE participation), 2% (5.00% to 5.99% DVBE participation) or 3% (6.00% or more DVBE participation) of low bidder amount.
