### PUBLICATION AGREEMENT

You must read, agree with, and accept all of the terms and conditions contained in this Agreement in order to enroll your child/children in the Great Valley Writing Camps.

By clicking the “I agree” checkbox on the registration page, I indicate my approval for each student's name, written work, voice, verbal statements, artwork, and photographic images (video or still) to appear in informational and/or educational publications, videos, or websites. For example, pictures, articles, and video about the “Great Valley Writing Camp” might appear in local newspapers, in published anthologies, in program-affiliated websites, in social media sites, or in informational television broadcasts. These pictures and articles may or may not personally identify the student(s). The program partners may continue to use the pictures and/or videos in subsequent years. (Program partners may include California State University Stanislaus, the California Writing Project, the National Writing Project, County Offices of Education, Give Every Child a Chance, and public or private schools and districts that allow use of their facilities.)

*I understand that the Activity sponsors cannot be held responsible for pictures or recordings taken by parents, students, or visitors who might take photos or recordings and share them without our permission.*

**Publication Agreement:** The Student(s) and Parent/Guardian release to Great Valley Writing Project (GVWP) each student’s name, written work, voice, statements, artwork, and photographic images (video or still), and consent to their use by program partners. For student safety, GVWP will follow these guidelines:

- Each student's name, written work, voice, verbal statements, artwork, or photo images will be used only for public relations, program information/promotion, teacher education, and classroom instruction.
- In website postings, student authors will not be identified by personal details other than first and last name. (We will NOT include student e-mail addresses, postal addresses, or telephone numbers.)
- Great Valley Writing Project will accede to any written request by a parent or legal guardian for the removal of specific photographs featuring their child, or references to their child’s name.

The Student and Parent/Guardian understand and agree that:

- No remuneration or compensation (i.e.: money) shall be paid for any published material;
- Consent and release have been given without coercion or duress;
- This agreement is binding upon heirs and/or future legal representatives;
- Photos, videos, writing samples, or student statements may be used in subsequent years.

*Please note:* We publish work quickly, because seeing their own projects in print inspires students to review, revise, and refine their writing. Thus, no other signed waiver will be sought or required prior to publishing student work.

*By clicking the “I agree” checkbox on the registration page, I verify that I have read the policies and guidelines listed above, and I grant permission for publication of workshop products and images in accordance with those policies.*
