GVWP invites teachers to read a common text to discuss the challenges of developing independent, proficient, joyful readers. These Saturday discussions will focus on students doing more thinking as readers and teachers refining their approaches to scaffolding. Participants will explore reading - writing connections that develop literacy skills in all subjects and genres. This hybrid course will include face-to-face and online sessions.

**Dates:** October 7, 28, Nov. 18, Dec. 2, 2017

**Times:** 9-11:30 am.
