APPLICATION FOR ADVANCEMENT TO CANDIDACY  
CSU STANISLAUS MASTER OF SOCIAL WORK PROGRAM  
**For Students Admitted August 2021**

These guidelines must be followed in completing the Advancement to Candidacy form. This form lists the specific requirements (i.e. courses, exams, thesis or research project) to be completed before a Master's degree can be awarded.

1. All courses listed on the advancement must be completed within seven years of the first course taken towards completion of the degree.
2. No lower division course work is allowed within the program.
3. List ONLY course work to be applied toward the Master's degree program. A 3.0 grade point average is required for all course work listed. Grades of "C" are acceptable provided the overall grade point average of courses presented on the advancement remain at or above a 3.0.
4. The Advancement to Candidacy must follow the program curriculum as stated in the University catalog in effect at the time the student was officially classified in a Master's program.
5. No more than 6 units taken in unclassified status are to be applied towards the degree and no units taken to remove admission deficiencies can be counted toward the degree.
6. The advancement must specify a culminating requirement (thesis or graduate project or culminating exam/seminar class).
7. An Advancement to Candidacy form should be filed as soon as possible after:
  - a) Program requirements for advancement have been met.
  - b) Classes completed at the time of advancement must show a GPA of 3.0 or better.
  - c) The complete program for degree is known. All electives must be specified (course number, title of course, instructor, semester/year, units).
8. After the Advancement to Candidacy has been approved, any waivers or substitutions to the advancement should be noted on a Petition for Exception signed by the faculty advisor and M.S.W. program director.
