Contact Viji Sundar (209) 918-2469

What do I get?
• Time to sit with your grade level partner to map out your lessons for the year
• A chance to develop everyday lessons for your class aligned with CaCCSS and your District Curriculum infusing SMP and ELA (as applicable)
• An opportunity to make/plan lessons together with teachers using the same curriculum
• An environment where teachers are helping teachers to create lessons that motivate, engage and inspire your students and YOU!
• Tips and techniques to support students with Special Needs
• Strategies to help you incorporate the new ELD standards during math instruction
• A PD with bottomless cup of hot coffee and chocolates!
• Two units of Professional Development credit.

What it is not:
• A series of lectures with an expert dictating or sage on the stage to tell you what to do
• A SIT and GET
• A one shot PD for a week without ongoing support throughout the school year

What should you bring?
• Your Mobile Device and/or laptop computer
• District Curriculum Manuals
• CaCCSS Booklet
• Your grade level partner

Do not think of what you have to give up to attend this event (30 hours of your Summer break!). Think of what you gain by attending … You can walk away with well-prepared ready to go lessons for the first few weeks of school!
