Summer Workshop

It is all about Fractions!

What:
In this engaging 20-hour institute we will explore all things fractions in the Common Core. We will begin our journey by defining fractions and developing number sense. On Day 2, we investigate the operations of addition, subtraction, and multiplication of fractions. On Day 3, we finish with multiplication and division of fractions. Throughout, will be on using the number line as our main access model.

When:
- July 20th 8:00 am – 3:30 pm
- July 21st 8:00 am – 3:30 pm
- July 22nd 8:00 am – 2.30 pm
