Human Subjects Research and the University Institutional Review Board (UIRB) Workshop

**When:** Tuesday, October 6, 2015 at 4:00-5:00 p.m.
OR
Thursday, February 11, 2016 at 4:00-5:00 p.m.

**Where:** MSR 130

**What:** This workshop is designed for all undergraduate and graduate students wanting to learn about securing UIRB approval to conduct research that involves human subjects. The workshop includes an overview of definitions of human subjects research, levels of UIRB review, procedures for submitting a UIRB application, and training available to students regarding responsible conduct in research. A UIRB Member delivers the workshop, and both the UIRB Member and the UIRB Administrator are available to answer questions about the application process. Faculty members advising student research are welcome to attend.

**RSVP:** Email researchadmin@csustan.edu to reserve a seat at this workshop.
