Pre-licensure Program Admission Information

Prerequisites – Pre-Nursing Major

At least four (4) of the prerequisite courses must be completed at the time of application to the program, two of which must be science courses and two must be non-science courses. Remaining prerequisite courses may be in progress *at the time of the nursing application*, and one course may be taken in the summer prior to Fall entry. Students must successfully complete all prerequisites with a minimum grade of C. All prerequisites must be completed by the time the program starts. Advanced Placement (AP) courses will be accepted if they have met the minimum required score and have been accepted by the university. See University website for more information www.csustan.edu.
