The CSU, Stanislaus traditional (face-to-face) RN to BSN program can be taken either on a full-time or part-time basis. Students on the full-time track will receive first priority in class enrollment in order to guarantee that they complete the nursing major in 3 semesters. Students who wish to complete the BSN on a part-time basis may proceed at their own pace; however, following the recommended track helps insure class availability. Class offerings, as presented, are dependent upon adequate enrollments. Contact RN-BSN Assistant Director for possible exceptions.

RN to BSN students are admitted in the Fall semester only. Students wanting to begin course-work in the spring are encouraged to take the required general education courses.

The following prerequisites must be completed prior to admission to the nursing program.

- Oral Communication/Speech
- Written English Composition
- Critical Thinking/Logic
- Statistics
- Chemistry
- Microbiology
- Anatomy
- Physiology

**Step 2 – Nursing Application** - Send completed application with a copy of your current RN license. If you are still taking your boards, note that on the application and send a copy of your license when you receive it.
