+ Classes to be taken with pre-licensure students

*WP – Completion of the Writing Proficiency Screening Test (WPST) is a prerequisite for enrollment in a WP Course.

**Clinical course – 8-hour clinical, daytime only. Students register for location. Location preference is not guaranteed. Must be taken concurrently with NURS 4400.

<NURS 4210 Advanced Clinical Practicum- may be taken by RN students to refresh “clinical skills.” This class is optional. Arrangements must be made with the program director to register for this class. Course taken through Extended Education.

Program Information:

The CSU, Stanislaus ADN to BSN program can be taken either on a full-time or part-time basis. Students on the full-time track will receive first priority in class enrollment in order to guarantee that they complete the nursing major in 3 semesters. Students who wish to complete the BSN on a part-time basis may proceed at their own pace; however, following the recommended track helps insure class availability. Class offerings, as presented, are dependent upon adequate enrollments. Contact RN-BSN Assistant Director for possible exceptions.

RN to BSN students are admitted in the Fall semester only. Program admission is contingent upon meeting minimum requirements and passing a physical exam, drug screening and a background check. Students wanting to begin coursework in the spring are encouraged to take any required general education courses.

The following prerequisites must be completed prior to admission to the nursing program.

Oral Communication/Speech
Written English Composition

Chemistry
Microbiology

Critical Thinking/Logic
Statistics

Anatomy
Physiology

The application period for admission to the nursing program is February 1st – 28th of each year for Fall entry into the program. Students must first apply to the university prior to applying to the nursing program. University admission is required before final acceptance to the School of Nursing. Space is limited and applicants will be admitted in the order in which the application is received.

How do I apply?

Step 1 - University Application – www.csumentor.edu Priority applications to the university is from **Oct. 1st to Nov. 30th**

Step 2 - Supplemental School of Nursing Application – www.csustan.edu/nursing Accepted between **February 1st – 28th**

Students seeking to enter the program must have the following:

- A current license as a Registered Nurse in California
- Completed 60 semester units of baccalaureate-level transferable college credit
- Completed an AD or Diploma in nursing with a minimum of 30 semester units of nursing coursework, with a grade of C or better in each course
- Completed at least half of the University's General Education breadth requirements, including college-level English composition, statistics, and critical thinking, with a grade of C or better
- Complete an acceptable college-level statistics course of at least 3 semester units with a grade of C or better
- Gained admission to the University with an overall grade point average of 2.75 or better
- Gained admission to the School of Nursing. Program admission is contingent upon meeting minimum requirements and passing a physical exam, drug screening and a background check.

University Requirements

- Complete University General Education requirements for the Bachelor of Science degree, (50 units minimum including transferable General Education units.)
- Complete the major of 26 upper-division units.
- Complete 9 upper-division units, which meet the upper-division General Education requirements. Completion of a minor is not required.
- All prerequisite courses to enter the Nursing program must be completed with a grade of C or better.

Validation of Equivalent Course Work

In addition to the 26 units in the nursing major, the School of Nursing will allow up to 15 upper division units of validated credit for equivalent nursing course work completed in preparation for nursing licensure. Validation of these units will be allowed, by challenge, upon successful completion of:

NURS 3100 Professional Nursing ADN-BSN
NURS 4000 Health Assessment
NURS 3600 Transcultural Nursing Care

Note: See School of Nursing for validation process.
