Exceptional Children and Youth Concentration (ECY)—Liberal Studies

Office: Education Specialist Credential Program (ESCP), Department of Teacher Education
Demergasso-Bava Hall 330, 209-667-3357

Advisors: Dr. Karen Webster, ESCP Coordinator, DBH 328
Dr. Kimy Liu, ESCP Faculty, DBH 328B
Dr. Brittany Desnoyer, ESCP Faculty, DBH 326

The concentration, or minor, of Exceptional Children and Youth was developed primarily for undergraduates interested in pursuing careers in Special Education. Many of the courses in the concentration are either prerequisites and/or program courses in the Special Education Credential Program. Students who wish to pursue a special Education Credential should meet regularly with their advisor to be apprised of any changes to the credential program requirements. *When submitting to your advisor, please bring a copy of your MAP (Libs plan).*
