On-Campus Immigration Legal Services

Direct immigration legal services are available by appointment, free of charge to Stanislaus State students and employees. Attorneys and paralegals are available to assist students with general consultations. DACA renewals and general assistance in filling out forms such as family-based petitions. This project aims to serve undocumented students, non-undocumented students with immigration questions, staff, and faculty.

On-Campus Mental Health Services

The mission of Psychological Counseling Services is to maintain and enhance students' psychological, emotional, and relational well-being. Psychological Counseling Services facilitates a successful experience in academic and social realms for students at California State University, Stanislaus.
