Online Master of Business Administration

**Outstanding Faculty**

Online MBA faculty members combine academic achievements with up-to-date perspectives on management acquired through experience in business, industry, government, and professional consulting. Their research and teaching extends into the international dimensions of management and education. The faculty have completed intense training and are Sloan-C certified.

**Who Should Attend**

The Online MBA is a professional program targeted toward the adult learner who is an active manager or technical supervisor, as well as the recent graduate who is interested in advanced study in the field of business.

**Flexible**

The Online MBA can be accessed anytime, anywhere, allowing you maximum flexibility to complete your degree in as little as two years while remaining in your current job and meeting family responsibilities.

**Affordable**

The Online MBA is competitively priced at $26,400, substantially less than other online MBA programs.

**Accredited**

The College of Business Administration is part of an elite scholarly network. Worldwide, only five percent of business schools meet the rigorous standards of the Association to Advance Collegiate Schools of Business International.

**Financial Aid**

Financial Aid, in the form of unsubsidized student loans is available.
