### WITHDRAWAL from Stanislaus State

Students must enroll at least part-time for **one semester each calendar year** to maintain rights to their original catalog year for graduation requirements, as explained in the "Graduation Requirements" section of the catalog under "General Requirements for Degrees."

Withdrawal from a course (or courses) is permitted, without restriction or penalty, prior to the Enrollment Census Date. No symbol is recorded in such instances. In connection with all other approved withdrawals, the "W" symbol shall be used.

- a. Undergraduate students may withdraw from no more than 18 semester-units.
- b. The limit applies only to units attempted at CSU Stanislaus.
- c. Withdrawals after the Enrollment Census Date and **prior to the last twenty percent of instruction** may be assigned only for serious and compelling reasons. Permission to withdraw during this time shall be granted only with the approval of the instructor, the department chair, and the college dean. All requests to withdraw under these circumstances and all approvals shall be documented using a Withdrawal Form with the Enrollment Services Office and such approvals shall be maintained in accordance with campus record retention policy.
- d. Withdrawals shall not be permitted during the final twenty percent of instruction except in cases, such as accident or serious illness, where the cause of withdrawal is due to circumstances clearly beyond the student's control and the assignment of an Incomplete is not practicable. Withdrawals of this sort may involve 1) total withdrawal from the campus or 2) may involve only selected courses. However, a course grade and credit or an Incomplete may be assigned for courses in which sufficient work has been completed to permit an evaluation to be made. Requests for permission to withdraw under these circumstances shall be handled and filed as indicated in the preceding paragraph, except that such requests must also be approved by the Vice Provost (appointed by the president to act in such matters). Such withdrawals shall not count against maximums provided for in a. above.
- e. A "W" shall not be used in calculating grade point average or progress points.
