

**Note: This is an unofficial list of external funding sources for undergraduate research. Links have not been tested, and some opportunities may no longer exist or may be located elsewhere. Not all opportunities are for undergraduates – some may require a graduate or professoriate level PI.**

**ALL DISCIPLINES:**

Sponsor: Smithsonian Institute  
Program: Internship Program  
Discipline: All  
Deadline: Variable  
Contact: <http://www.si.edu/OFI/Opportunities>

**GENERAL SCIENCES:**

Sponsor: National Institute of Standards and Technology (NIST)  
Program: Summer Undergraduate Research Fellowship (SURF)  
Discipline: Physics, Astronomy, Applied and Material Sciences, Chemistry, Mathematics, Computer Science, Engineering  
Deadline: February  
Contact: <http://www.surf.nist.gov/surf2.htm>

Sponsor: American Association of Medical Colleges (links)  
Program: Summer Undergraduate Research Programs in Medicine  
Discipline: Medicine, Pharmacy, Natural Sciences  
Deadline: Not Specific  
Contact: <http://www.aamc.org/members/great/summerlinks.htm>

Sponsor: National Science Foundation  
Program: Research Experiences for Undergraduates (REU) Program  
Discipline: Natural and Social Sciences  
Deadline: Varies by program  
Contact: <http://www.nsf.gov/home/crssprgm/reu/reulist.htm>

Sponsor: Sigma Xi  
Program: Grant-in-Aid of Research  
Discipline: Natural and Social Sciences, Engineering  
Deadline: March and October  
Contact: <http://www.sigmaksi.org/programs/giar/index.shtml>

Sponsor: Intel Corporation  
Program: Intel Research Award Contest  
Discipline: Natural Sciences and Engineering  
Deadline: June  
Contact: <http://www.intel.com/research/awards/>

Sponsor: US National Library of Medicine  
Program: NLM Undergraduate Student Research Participation Program  
Discipline: Information & Library Science  
Deadline: Not specific  
Contact: <http://www.orau.gov/orise/edu/nlm/nlmrespg.htm>

Sponsor: National Science Foundation (NSF)  
Program: Computer and Information Science Engineering (CISE)  
Discipline: Computer Science, Engineering  
Deadline: varies by program  
Contact: <http://www.nsf.gov/dir/index.jsp?org=CISE>

GENERAL HUMANITIES AND ARTS:  
Sponsor: American Philosophical Society  
Program: Library Resident Research Fellowship  
Discipline: Humanities  
Deadline: March  
Contact: <http://www.amphilsoc.org/grants/>

**SPECIFIC DISCIPLINES:**

***BIOLOGY/MEDICINE***

Sponsor: Sackler Institute of Biomedical Sciences, NYU Medical Center  
Program: Summer Undergraduate Research Program (SURP)  
Discipline: Medicine, Biomedical Engineering, Microbiology & Immunology, Biochemistry, Biology, Genetics, Pharmacy  
Deadline: February  
Contact: <http://www.med.nyu.edu/Sackler/summer.html>

Sponsor: American Association of Medical Colleges (links)  
Program: Summer Undergraduate Research Programs in Medicine  
Discipline: Medicine, Pharmacy, Natural Sciences  
Deadline: Not Specific  
Contact: <http://www.aamc.org/members/great/summerlinks.htm>

Sponsor: National Institutes of Health (NIH)  
Program: Undergraduate Scholarship Program  
Discipline: Health-related  
Deadline: February  
Contact: <https://www.training.nih.gov/programs/ugsp>

Sponsor: Society for Integrative and Comparative Biology  
Program: Libbie H. Hyman Memorial Scholarship  
Discipline: Biology  
Deadline: March  
Contact: <http://sicb.org/grants/hyman/>

Sponsor: Botanical Society of America  
Program: Minority Undergraduate Participation Grant  
Discipline: Biology  
Deadline: March  
Contact: <http://www.2003.botanyconference.org/Min%20Undergrad%20Particip.htm>

Sponsor: American Society of Plant Biologists  
Program: ASPB Summer Undergraduate Research Fellowships  
Discipline: Biology, Ecology, Environmental Sciences  
Deadline: February  
Contact: <http://www.aspb.org/education/summerundergrad.cfm>

Sponsor: American Society for Microbiology  
Program: Microbiology Undergraduate Research Fellowship (MURF)  
Discipline: Microbiology  
Deadline: February  
Contact: <http://www.asm.org/index.php/fellowships>

Sponsor: Emergency Nurses Association Foundation  
Program: ENAF Undergraduate Scholarships  
Discipline: Nursing  
Deadline: June  
Contact: <http://www.ena.org/foundation/grants/>

### **COMPUTER SCIENCES**

Sponsor: National Science Foundation (NSF)  
Program: Computer and Information Science Engineering (CISE)  
Discipline: Computer Science, Engineering  
Deadline: varies by program  
Contact: <http://www.nsf.gov/dir/index.jsp?org=CISE>

### **ENGINEERING**

Sponsor: National Science Foundation (NSF)  
Program: Computer and Information Science Engineering (CISE)  
Discipline: Computer Science, Engineering  
Deadline: varies by program  
Contact: <http://www.nsf.gov/dir/index.jsp?org=CISE>

### **ENVIRONMENTAL**

Sponsor: American Society of Plant Biologists  
Program: ASPB Summer Undergraduate Research Fellowships  
Discipline: Biology, Ecology, Environmental Sciences  
Deadline: February  
Contact: <http://www.aspb.org/education/summerundergrad.cfm>

Sponsor: National Wildlife Federation  
Program: NWF Campus Ecology Fellowship Program  
Discipline: Environmental Studies, Ecology  
Deadline: September  
Contact: <http://www.nwf.org/Campus-Ecology/Get-Involved/Apply-for-a-Fellowship/Fellowships-Overview.aspx>

Sponsor: Environmental Protection Agency (EPA)  
Program: National Network for Environmental Management Studies (NNEMS) Undergraduate & Graduate Student Fellowship Program  
Discipline: Environmental Sciences and Studies, Public Policy  
Deadline: February  
Contact: <http://www.epa.gov/enviroed/NNEMS/index.html>

#### ***EXERCISE AND SPORT SCIENCE***

Sponsor: National Strength and Conditioning Foundation  
Program: Undergraduate Research Grant  
Discipline: Exercise and Sport Science  
Deadline: March  
Contact: <http://www.nscf-lift.org/Foundation/>

Sponsor: National Strength and Conditioning Foundation  
Program: GNC Nutritional Research Grant  
Discipline: Exercise and Sport Science, Nutrition  
Deadline: March  
Contact: <http://www.nscf-lift.org/Foundation/>

#### ***GEOLOGY/GEOSPATIAL INFORMATION***

Sponsor: Geological Society of America (GSA)  
Program: GSA Undergraduate Student Research Grants  
Discipline: Geology  
Deadline: February  
Contact: <http://www.geosociety.org/grants/ugrad.htm>

#### ***PSYCHOLOGY***

Sponsor: American Psychological Society  
Program: APSSC Student Grant Program  
Discipline: Psychology  
Deadline: April  
Contact: [http://www.psychologicalscience.org/members/awards/student\\_grant.html](http://www.psychologicalscience.org/members/awards/student_grant.html)

Sponsor: American Psychological Association  
Program: APA Summer Science Institute  
Discipline: Psychology  
Deadline: Not specified  
Contact: <http://www.apa.org/science/ssi.html>
