

FACULTY RESOURCES

DISABILITY RESOURCE SERVICES (DRS) & THE ACCESSIBLE TECHNOLOGY INITIATIVE (ATI)

APPARENT & NON-APPARENT DISABILITIES IMPACT STUDENT SUCCESS

Impairments of Vision, Hearing, Mobility, Speech, Chronic Health Conditions, Mental Health, ADHD, PTSD, TBI, Learning Disabilities, & Temporary Disabilities

VISION OF THE ATI

All CSU programs, services, and activities should be accessible to all students, staff, faculty, and the general public. This encompasses all technology products used to deliver academic programs and services, student services, information technology services, and auxiliary programs and services.

PRIMARY SECTION 508 LEGAL REQUIREMENTS

- Refer students with disabilities to DRS
- Timely adoption of textbooks
- Identification of textbooks for late-hire faculty
- Early identification of students with disabilities
- Accommodation for instructional materials in an alternate format
- Use the LMS to post syllabi and instructional materials online
- Caption all multimedia instructional materials
