Student Organization Accounts Administration Agreement Policy

PURPOSE

This policy describes the terms of the Account Agreement and guidelines for the use of funds from Student Organization Accounts administered by Associated Students, Inc. (ASI) and Business and Financial Services for student programs, events, fundraisers, and activities.

POLICY

Associated Students Inc. and Business, and Financial Services control all student organization accounts. ASI has control over establishing accounts for chartered student organizations and spending from these accounts. ASI has the authority to pay debts incurred by student organizations or to close the account without consent of these student organizations due to non-compliance with this policy. In addition, ASI may close an account if the organization fails to renew their charter for two consecutive years.

*This policy may be amended by two-thirds vote of the ASI Board of Directors.*
**PROCEDURE**

1.0  **ASI Student Organization Account Agreement**

1.1 The following are terms and conditions relative to the establishment of a Student Organization Account with the CSU Stanislaus Associated Students, Inc.:

1.1.1 Student organizations must follow the applicable laws and regulations of every jurisdiction in which they conduct business. Representatives are responsible for acquiring sufficient knowledge of these laws and regulations in order to recognize potential dangers and to know when to seek legal advice.

1.1.2 It is the responsibility of the organization to update authorized signatures when an officer or Advisor of the organization changes. Please use a Student Organization Account Agreement Form and submit as “Modify Existing Account” found in the charter paperwork completed yearly by the Office of Student Leadership and Development (SLD).

1.1.3 A Student Organization Account will be suspended if there is a violation of the campus cash handling policy.

1.1.4 There will be no service charge assessed by ASI for maintenance of the Account.

1.1.5 The ASI assumes no liability for events and activities sponsored by the use of funds of the organization.

2.0  **Establishing an Account**

2.1 To establish an account, the chartered student organization will obtain the ASI Student Organization Account Agreement Form, complete and submit with the Charter Paperwork to SLD.

2.1.1 The Account Agreement Form is used to establish new trust accounts or reflect new signatures on accounts.

2.2 Each designated Treasurer is required to attend Treasurer Training by the deadline set forth by ASI before the student organization may utilize their account. Treasurers will be fiscally responsible for monitoring and reporting the financial solvency of the organization.

3.0  **Deposits**

3.1 Deposit made to an organization’s Account must be made at the University Cashiers Office (MSR 100). The representative making the deposit will receive a receipt from the cashier verifying the organization’s name, and the amount deposited and date of deposit.
3.2 Student organization accounts cannot be used to hold funds on behalf of other student organizations. Funds may be held by a student organization on behalf of another external organization only on a temporary basis in conjunction with a fundraising event where a check for proceeds will be issued to the outside organization.

4.0 Withdrawals/Check Requests

4.1 A Check Request must be completed in full prior to any expenditure or disbursement from a student organization account, except in those instances where ASI is required to initiate a transfer as payment of unpaid campus debt.

4.2 All required paperwork must be submitted at least two weeks prior to date payment or check is needed.

4.3 All required signatures shall be on the Check Request form before it is submitted. The signatures on the check request will be compared to the signatures on the Student Organization Account Agreement Form. 4.3.1 The Check Request is to be completed in full, including “Date of Request”, Payee “Name and Address”, “Account Number” (“C” number), and a phone number of the individual submitting the request.

4.3.2 Receipt(s) showing payment must be attached. Receipts must match the items and totals listed on the line item portion of the Check Request Form.

4.5.4.1 If amount spent is less than the amount advanced, the remainder of funds must be deposited back into the Student Organization’s Account and the deposit receipt (obtained from cashier’s office) is to be submitted with all other receipts. Cash is returned by depositing funds into the Student Organization’s Account through the cashier’s office using the cash net code (the “K” number).
