

High School Science Teachers and Faculty

PAVING the PATHWAY

For Our Students Toward the STEM Fields

An event brought to you by the Science and Engineering Division of the Stanislaus County Office of Education in partnership with Stanislaus State.

Date: THURSDAY, NOVEMBER 8, 2018

Time: 4:30 PM - 7:30 PM

Location: Stanislaus State, Faculty Development Center

Registration: <http://stanislaus.k12oms.org/445-158414>

Cost: \$25

This event is the first in a series of events that will support science educators; our goal is to better prepare students to enter college ready to succeed in the STEM fields. Science high school teachers and faculty will have the opportunity to expand their knowledge of NGSS together.

- NGSS Early Implementors Panel Presentation
- Dinner
- Science Facility Tour
- High School Teachers and Faculty Networking
- Faculty and High School Connections Presentation

ENGAGING · EMPOWERING · TRANSFORMING
