- a) Pass the two subtests of the **CSET Preliminary Educational Technology Requirement Exam (133 & 134)**. (No units on transcripts)
www.ctcexams.nesinc.com/
OR
- b) Take EDIT 4170 Educational Technology Foundations course for 2 units after admission to the credential program.

Second Semester – 16 units

- EDSS 4300 (core) Secondary Ed Methods II (4 units)
- EDSS 4400 (core) Secondary Ed Methods III (4 units)
- EDSS 4855 Secondary Ed Field Practicum II (5 units)
(Concurrent enrollment with 4300 and 4400)
- EDSE 4310 Introduction to Special Education (3 units)

TOTAL SSCP UNITS = 32 units

Additional requirements to be completed prior to being recommended for teaching credential:

1) Cardiopulmonary Resuscitation (CPR)

All students applying for a Preliminary Credential demonstrate that they have “**infant, child, and adult CPR certification which meets the criteria of the American Heart Association or the American Red Cross.**” Find additional information here:

<https://www.csustan.edu/credentials/examcpr-information>

2) Teacher Performance Assessments (TPAs)

Teacher candidates must complete and pass the TPA tasks. These tasks are separate, but are interrelated. The coursework within the Credential Program will prepare students for the TPAs. TPA orientation meetings are held at the beginning of each semester for students to better understand the process.

Frequently Asked Questions About SSCP

How long does it take to complete the program?

The program is 32 units. **Full-time** students can complete the program in one year if enrolled in both semesters. Students who start in August finish by the end of May. Students who begin in January finish by the end of December.

How much does it cost?

Full-time students pay about \$3,997 for 7 units or more each semester (Fall/Spring) and Part-time students pay about \$2,599 for 0-6 units per semester (Fall/Spring). Overall book costs are approximately \$700. Financial Aid is available for those who qualify. Contact Financial Aid office for more details at 667-3336.

Do you have paid internships?

Yes. CSU Stanislaus has intern agreements with most school districts in Stanislaus, Merced, and San Joaquin counties. Interns do not complete the second semester of traditional student teaching; their paid internship teaching replaces student teaching. Students can become interns **after** completing EDSS 4100/4850 courses. While registered for EDSS 4300/4400/4855, internship placements would substitute for the traditional student teaching experience. An internship seminar, EDUC 6538, offered through University Extended Education is also required.

Do you offer assistance in passing the CBEST & CSET exams?

Yes, contact the Teacher Recruitment and Retention Office (DBH 307) for information about test guide books, resources and upcoming workshops at (209) 667-3589 or visit teacheroutreach@csustan.edu.

What is required for Special Admission?

The Department of Teacher Education is allowed to admit a small number of students who do not meet admittance requirements. Students who are below the GPA requirements and have a **minimum 2.5 GPA** in the last 60 units, must submit a letter requesting special consideration for admittance. Special admission will only be granted if there is room available.
