It is the goal of StanReC to assist individuals with exploring and learning about recreation, leisure and health. Intramural Sports provides broad recreational opportunities through team and individual or dual activities and special events. Activities offered are on a voluntary basis at multiple levels as an integral part of the total educational objectives of CSU Stanislaus. The Intramural rules and policies provide for equitable and enjoyable participation. It is vital for participants to uphold the rules and to encourage their teammates and spectators to do the same. Rules for conduct in the Intramural Program coincide with the university codes of conduct and discipline. With a focus on lifetime recreational activities, Intramural Sports provides an experience that should lead to a greater understanding of self, of personal goals, of social relationships, and lifetime recreational fundamentals.

Through open communication we will be able to continually improve our program. Through creative scheduling and a commitment to maximize participation, this program will do its best to accommodate the students demanding academic load.

**Employment Opportunities**

**Intramural Officials and Sport Supervisors Program**

Want to play and officiate? You can! Just not your own game! StanReC employs individuals as sports supervisors & officials in many of the activities offered. Training is provided to everyone regardless of experience. Persons interested in any of these positions should contact StanReC @ 209-667-3705. Staffs are needed for all sports. Schedules are flexible. Work 2 games a week or 12 ... it’s up to your availability and our need. Learn a skill. Makes some money, and help this intramural program go to the next level.

**Want to Play & don't have a Team?**

Sign up as a free agent! We will do our best to help you get on a team and play but you will need to create an account and register at [www.imleagues.com](http://www.imleagues.com) to be able to play intramurals at CSU Stanislaus. We use [www.imleagues.com](http://www.imleagues.com) to host our schedules and results so you can review these online at any time. The web address for our leagues is: [www.imleagues.com](http://www.imleagues.com) and then you just need to find CSU Stanislaus in the list of schools using this system. You can also email Robin Embry, the Recreation Specialist/IM Coordinator at rembry@csustan.edu with your contact information to get info on how to get on the Free Agent list.

**Entering Intramural Sports Activities**

Activity information sheets will indicate entry deadlines and costs. The decision of the Recreation Specialist/IM Coordinator will determine if late entries will be accepted if space allows and schedules have not been completed.

**Step 1**

You will need to create an account and register at [www.imleagues.com](http://www.imleagues.com) to be able to play intramurals at CSU Stanislaus.

**Step 2**
Complete the information requested and save your information prior to the appropriate deadline date listed at: www.imleagues.com and on the official StanReC web Intramural calendar. Registrations must be filled out completely and correctly.

Step 3
If and when registration/award fees are applicable, they must be paid at the Captains Meeting or they will not be accepted. The $60.00 per team fees are listed on www.imleagues.com and on the official StanReC website.

Step 4
Team entries accepted after the deadline will be assessed a $10.00 late fee. StanReC reserves the right to refuse any late entry.

Step 5
Make sure that you have enough people interested in forming a team for a particular sport. Each team should have a designated captain that serves as the contact person. New players cannot be added once the league season has completed week #2 and/or a team enters playoffs. In team tournaments which do not have league seasons, teams may add new players through semi-final games.

Step 6
Pick up a copy of the rules for the sport you are entering.

Step 7
Attend the mandatory manager’s meeting. The dates and times for all meetings are listed at www.imleagues.com and on the Intramural Event Schedule and on all informational flyers placed around campus. These meetings are mandatory and must be attended by the team’s captain or another team representative. The captain is responsible for relaying the rules and policies of each sport to all teammates.

Forfeits
A $50.00 fee will be charged for all forfeits. Teams will not be allowed to continue until the forfeit fee is paid. Two forfeits will drop the team from competition in that sport. Individuals from teams will not be allowed to play in any sport until forfeit fees are paid from any previous team forfeits. Games will start at the officially scheduled game time. A forfeit will be declared if a team or individual is not ready to play at game time listed, with IDs, on the playing area, with the required number of players to constitute a team. The IM On Site Manager’s watch is the official time. To avoid a forfeit, contact the Recreation Specialist/IM Coordinator by 2:30 PM a minimum of one working day (Monday-Friday) before the scheduled competition. The game will be declared a forfeit if it cannot be rescheduled.

Rescheduling Games
Schedules should be reviewed immediately upon posting to identify possible conflicts. Agreement of teams and the Recreation Specialist/IM Coordinator are necessary when there is a time convenient for rescheduling. The Recreation Specialist/IM Coordinator should be contacted by 2:30 PM a minimum of one working day (Monday-Friday) before the scheduled competition and preferably immediately after the schedules are made available to the teams.

Protests
Protests may be submitted in instances of rule misinterpretation and participant eligibility only. Protests will not be accepted if they are based on judgments made by officials in playing situations. Protests must be made to the game official and the Intramural On Site Manager at the time of the misinterpretation and before the play continues. The protested situation may
be resolved by: (1) immediate correction of the misinterpreted ruling at the supervisor’s discretion, or (2) play will resume following the supervisor’s ruling with both teams being notified that the game is still under protest. A protest form must be filled out at this time by the captain before re-entering the game. If the team still feels the supervisor’s ruling is incorrect, the protesting team must submit a typed statement citing the specific rule misinterpreted and the protested situation to the Recreation Specialist/IM Coordinator by 4 PM the next regular working day following the protested contest to supplement the protest form. An extra copy will be given to the opposing team manager. The Recreation Specialist/IM Coordinator will be responsible for ruling on protests. All protests during playoffs will be made and resolved at the time of the incident before play continues. Any eligibility protests must be accompanied with written proof of why the player in question is ineligible to participate. No written protests on a rule misinterpretation will be permitted during playoffs due to the limited time between games. All protests on rule misinterpretations must be made at the time and be resolved before play continues. Time limits on games will not be affected by protests.

**Inclement Weather Postponements**
Cancellation of games on weekdays will be decided after 2:30 PM at the intramural office. For weekend activities, call 1 1/2 hours prior to the scheduled starting time by calling 209-667-3705. It is the responsibility of the manager to check at the Student Fitness Center office after 12 o’clock noon the next working day following cancellations.

**Schedules & Information**
Schedules and information will be distributed to managers, be posted on our web page, and in the Fitness Center. Managers are responsible for checking on entry periods, rule or date changes, playing times, etc. This type of information should be obtained by coming by the Fitness Center or by checking the StanReC website. Information should not be obtained by phone. It is the team managers responsibility to tell teammates when the games are scheduled.

**Playing Divisions & Tournaments**
All activities offered are for recreation. Most sports may be divided into divisions: Open, Men’s, Women’s, Co-Rec. Divisions may be divided into leagues: Competition/A and Leisure/B (just for fun), Dorms, Fraternity, Sorority, Faculty/Staff/Alumni. Separate league play may not be offered if there are: (1) less than four entries requesting to play in a particular division or (2) less than four entries requesting to play in any league. Players may not switch divisions after competing in a regular game or contest or after a tournament draw has been posted unless approved by the IM Coordinator. League play is usually arranged on a round robin basis. Separate championships are held in divisions and are usually single or double elimination tournaments. At times, an All University Tournament will be held so that the teams from the different leagues can play. League champions may also have an opportunity to participate in an extramural competition against another league champion from UC Merced.

**Team Rosters**
Teams may use a limit of 15 players assuming they meet all eligibility rules. All players must be listed by full names on the entry roster and the score sheets along with their ID number. The number of championship awards given out is limited to the number of participants awards limit set by the IM Coordinator for that sport, usually 15 or less. You are encouraged to create two teams if a large number of players are involved.

**Eligibility Guidelines**
Each participant is responsible for verifying that he or she is completely eligible. Any questions should be directed to StanReC Intramural Sports office.
1. Students, faculty, staff, alumni & their spouses are eligible to participate. Additional fees may apply to anyone not current on the terms student fees, Fitness Center membership fees, or StanReC Activity Participation Fee.

2. Individuals may participate for only one team per activity per division (Open, Women’s, Co-Rec) and his or her first official participation attaches him or her to that group for that activity and only that activity.

3. Students & others participating in IM activities should carry their current student, member or StanReC Participation I.D. cards with them for proof of eligibility and for equipment checkout to **ALL GAMES.**

4. To be eligible for participation, all players’ full names and ID number must be listed on the team roster on [www.imleagues.com](http://www.imleagues.com) these rosters will be kept in the IM office. If a player is not correctly listed on the roster he/she will **NOT** be eligible to play in that contest.

5. Matters of participants’ eligibility may be appealed to the Recreation Specialist/IM Coordinator. Protests on eligibility must be made during the contest. An investigation will then be made.

6. Individuals are required to have a signed liability waiver form in the Fitness Center office prior to participation in events. All participants are personally responsible for medical approval according to the type of activity in which they will participate. All students are personally responsible for any medical costs associated with any injury incurred during intramural activity.

7. In the event of other possibilities not covered in the IM Coordinator will make a ruling.

**Liability**

All participants of the StanReC Intramurals Sports Program agree to compete at their own risk. Participants are personally responsible for medical approval according to the type of activity in which they will participate, and are responsible for any medical costs associated with any injury incurred during any intramural activity.

**Player, Coach, & Spectator Conduct**

Any person who violates any of the conduct rules (i.e., verbal/physical abuse) outlined for each sport before, during or after the game may be disqualified from the game and the game following. Two disqualifications will automatically suspend that person for the remainder of the season. Disrespect towards, striking or physically abusing an official or staff member may carry suspension from all further intramural activities for at least that year. Any acts of physical abuse in a contest may result in suspension for the remainder of the season or indefinitely & possible action by the University. Teams are responsible for actions of spectators and anyone associated with their team, including actions of harassment, abuse or interference with players, officials, scorers and supervisors. Use of ineligible player will result in the game being forfeited and/or no post-season play.

Dishonesty: Any individual who is found guilty of dishonesty may be disqualified from all activities for the remainder of his or her University career or any part thereof. If the individual’s team is party to his or her dishonesty, the team may also be disqualified from participating in intramurals for the rest of the year or any part thereof. Infractions under this category include playing under an assumed name, playing on more than one team or misrepresenting a score.

Any player ejected from a contest for any reason will be suspended from his or her team’s next
game automatically. A second ejection from a game will result in suspension from all remaining games. After an ejection, the player and his or her manager must come by the office to discuss their conduct and request for reinstatement with the Recreation Specialist/IM Coordinator before playing again. Any individual involved in fighting during a game, pre-game or post-game activities may be suspended from any further competition until they have met with the Recreation Specialist/IM Coordinator.

Physical and/or verbal abuse of Recreational Sports staff, officials, participants, or any other individual attending a StanReC function will result in suspension from intramural activity for a period of time to be determined by the Recreation Specialist/IM Coordinator. If any individual, in the opinion of the Campus Recreation Staff, is endangering the health or physical well-being of any participant or spectator, that individual may be suspended from further participation in that sport or any additional Intramural and/or StanReC activity.

**Violation of Alcohol & Drug Policies**

Students, employees and organizations violating university policies or engaging in conduct that is prohibited by state, federal or local law are subject to discipline under the provisions of policies stated in the University Policy Manual, the Faculty Handbook and the Student Handbook, as applicable. In addition, university officials may refer any evidence of illegal activities to the proper local, state or federal authorities for review and potential prosecution. The enumeration of certain constraints within these guidelines shall not be construed to deny StanReC and its functionaries, in keeping with their duties, from prohibiting actions and imposing constraints upon individuals acting contrary to the established University Codes of Conduct.
